

2012 Gananoque Gathering

Please join us September 14th - 16th, 2012 for our 10th Annual Muskies Canada outing on the famous waters of the St. Lawrence River in the 1000 Islands Region. We look forward to hosting our 2 day event and welcome members from all chapters. It's always a great time no matter what the weather or the fishing is like. Great food, excellent accommodations and a fantastic Prize Table!!

Muskies over 50 inches have taken home the Swan Moving Trophy for the last 2 years. 2012 should be an even better year than 2011 and this is likely your best chance to catch and release a giant Muskie.
